

**Alpine City
Urban Deer Control Committee**

**Minutes from Committee Meeting
May 19, 2016, 5:00 p.m., Alpine City Offices**

1. Attendance: Brian Higbee, Craig Rosvall, Melissa Holiday, Kent Partna, Paul Bennett, Excused absence: Rich Nelson and Mayor Sheldon Wimmer.
2. Minutes from the May 5th meeting were not available for approval. Will be approved at the next meeting.
3. The committee reopened the discussion on the survey to reconsider Craig Rosvall's question on possible threats. The committee voted to change question 5. The committee voted on the change and the survey was accepted.
4. The committee reviewed the wording for the introduction. A vote was taken on the introduction wording, and the introduction passed without revision. However, the committee thought it would be appropriate to explain when the survey would be picked up, and we can't do that until after the exact distribution method is determined.
5. The committee discussed various distribution methods and concluded the cheapest and perhaps best way to distribute the survey would be to use the various Boy Scout troops in the area. Craig Rosvall, Melissa Holiday, and Brian Higbee volunteered to contact each Scoutmaster in each of their assigned areas. Once it has been determined if the troops are willing to distribute the surveys and when they will do it, a sentence or two will be added to the introduction.
6. The committee agreed to finalize the logistics of the survey after all the scoutmasters have been contacted and the results of these contacts have been given to Craig Rosvall. While the city council had wanted a recommendation by the first of June, it appears that this work and a recommendation will not be possible before the end of June.
7. Adjournment at 6:45 pm.

Respectfully submitted by: Melissa Holiday
